

## Desks Customized

We help libraries find the perfect circulation or reference desk for their needs.

### Reference Desks

Our reference desks are offered in limitless finishes and options. **Height-adjustability, dual-heights, transaction ledges, privacy screens, locking storage, integrated power, and wire-management** are all optional features.

LFI can design a desk to fit a library's space and staff needs.

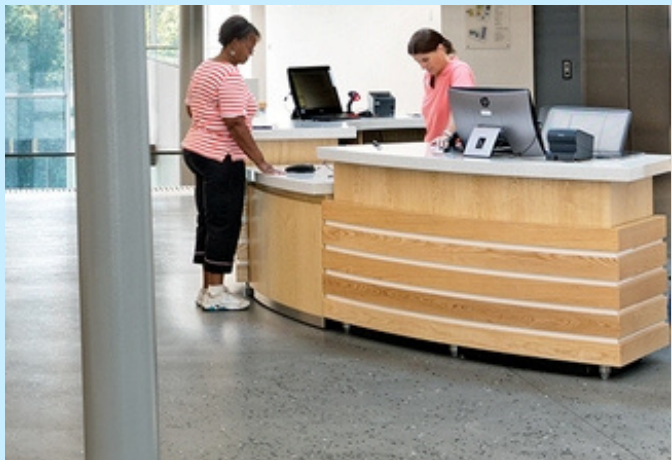

## Circulation Desks

Book return slots, depressible book carts, monitor arms for computers, integrated tech, dual-height surfaces, ADA counters, are all features of our circulation desks.

### Smaller more nimble service desks.

Many of our libraries are turning to smaller more approachable service desks that are placed throughout the library.

Commonly these desks are **mobile** and **height-adjustable**.

### Unlocking organization.

Desk storage is customizable and can include **credenzas**, **mobile pedestal drawers**, **open shelves**, **locking cupboards**, **filing cabinets**, and **pencil drawers**.
